Children develop their personal, social and emotional skills throughout the year through circle times, social groups, social stories, intervention, diversity	Children will be able to follow one step instructions. Children will recognise different emotions. Children will focus during short whole class activities. Managing Self Children will learn to wash their hands independently. Building Relationships Children will seek support from adults and gain confidence to speak to peers and adults.	Children will talk about how they are feeling and to consider others feelings. Managing Self Children will understand the need to have rules. Building Relationships Children will begin to develop friendships.	Children will be able to focus during longer whole class lessons. Managing Self Children will begin to show resilience and perseverance in the face of a challenge. Building Relationships Children will be able to use taught strategies to support in turn taking.	Self-Regulation Children will identify and moderate their own feelings socially and emotionally. Managing Self Children will develop independence when dressing and undressing. Building Relationships Children will listen to the ideas of other children and agree on a	Children will be able to control their emotions using a range of techniques. Managing Self Children will manage their own basic needs independently. Children will learn to dress themselves independently. Building Relationships Children will learn to work as a group.	Children will be able to follow instructions of three steps or more. Managing Self Children will show a 'can do' attitude. Children will understand the importance of healthy food choices. Building Relationships Children will have the confidence to communicate with adults around the school.	

Building Relationships: Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.

Managing Self: Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Children will know about their own life story and how they have changed.

Geography: People, Culture and

Children will know about features of the immediate environment.

Science: The Natural World Children will understand the terms 'same' and 'different'.

RE: People, Culture and Communities

Children will know some similarities and differences between things in the past and now.

> Geography: People, Culture and Children will know that there are many countries around the world.

Science: The Natural World Children will explore and ask questions about the natural world around them.

RE: People, Culture and Communities

Children will learn about; Diwali, Christmas, Hanukkah, Kwanzaa

Children will talk about the lives of people around them.

Geography: People, Culture and

Children will know about people who help us within the community.

Science: The Natural World Children will talk about features of the environment they are in and learn about the different environments.

RE: People, Culture and Communities

Children will talk about past and present events in their lives and what has been read to them.

Geography: People, Culture and Communities

Science: The Natural World Children will make observations about plants/animals discussing similarities and differences.

RE: People, Culture and Communities Children will learn about Easter

Children will know that people in other countries may speak different languages.

Children will know about the past

through settings and characters.

Geography: People, Culture and

Science: The Natural World

RE: People, Culture and Communities

Children will know about the past through settings, characters and

Geography: People, Culture and

Children will know that simple symbols are used to identify features on a

Science: The Natural World Children will know some important processes and changes in the natural world, including states of matter.

RE: People, Culture and Communities

Past and Present: Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling.

People, Culture and Communities: Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.

The Natural World: Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Expressive Arts and Design

Music: Being Imaginative

Children will sing and perform nursery rhymes.

See Charanga Progression of Skills document.

Art & Design: Creating with Materials

KAPOW: Marvellous Marks

Music: Being Imaginative

Children will experiment with different instruments and their sounds.

See Charanga Progression of Skills document.

Art & Design: Creating with Materials

KAPOW: Painting & Mixed Media

Music: Being Imaginative

Children will create narratives based around stories.

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

KAPOW: Sculpture & 3D

Music: Being Imaginative

Children will move in time to the

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

KAPOW: Let's get crafty

Music: Being Imaginative Children will play an instrument following a musical pattern.

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

Children will explore and use a variety of artistic effects to express their ideas and feelings. Music: Being Imaginative

Children will invent their own narratives, stories and poems.

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

Children will share creations, talk about process and evaluate their

Creating with Materials: Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. Make use of props and materials when role playing characters in narratives and stories.

Being Imaginative: Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.
