

Inter-School Competitions at Biggin Hill Primary School

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities.....Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect. - National Curriculum for Physical Education 2014

At Biggin Hill Primary School we provide many opportunities for children to compete against each other and against children from other schools in a wide range of activities. We encourage all children to take part in competitions and aim to take part in a wide range of sports to meet the needs of as many children as possible who are keen to participate. We have used some of our Primary PE and Sport Premium funding to take part in the Sainsburys School Games.
