# Reading and Book Changing

The children need to be reading to you every day for 10 minutes, They do not have to read an entire book in this time. This will help them to imbed the skills they have learnt at school. When they have finished their book can you please comment in their reading record and remind your child to change their book the next day.

We will put out the reading books every morning, in the corridor, so that the children can choose a new book to read.

# School Uniform

The children need to have a coat in school every day, even in good weather. During the warmer months this needs to be a light waterproof jacket. This can stay in their bags until needed.

It is very important that **all uniform is named** so that it can be returned to the correct child at the end of the day.

Please ensure that your child has a water bottle in school with them every day.

# Google Classroom

Everyone has received an invitation to the 'virtual' classroom.

Please accept the request so you can have access to the classroom. This will enable you to keep up to date and access reminders and any extra resources.

We would appreciate it if the class rep could add any reminders to the class whatsapp group. Thank you.

# Maths and spelling quizzes

The quizzes will continue to take place on a Monday afternoon.

## Maths Quizzes

Red - Numbers to 5

Yellow - Number bonds of 10

Green - Numbers to 20

Bronze - 2, 5 and 10 times tables
