Signs and Symptoms of bullying:

A student may indicate by signs or behaviour that he or she is being bullied. All adults should be aware of these possible signs and that they should investigate if a student:

- is frightened of walking to or from their school.
- doesn't want to go into vulnerable areas of the school i.e. toilets, library, dinner hall.
- is unwilling to go to school.
- becomes withdrawn, anxious, or lacking motivation.
- changes in behaviours.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

7) Different ways to report bullying

At Biggin Hill Primary School we ensure that we provide children with equal opportunities and fair access to report any forms of bullying. We pride ourselves on our range of ways children can report incidents of bullying throughout the school. Bullying can be reported:

- To the class teacher
- To a member of support staff or our lunchtime staff on duty

- Through our Family Support worker and Senior Mental Health Lead or any member of the inclusion team.
- Through 'Worry Monsters' that are situated in each classroom - these are checked daily
- Through the headteacher, deputy headteacher or assistant headteachers
- Through PSHE Assemblies and through circle time or class discussion time.

8) School ethos

- Biggin Hill Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- We believe that in order for children to learn to the best of their ability, they need to feel safe and happy. We prioritise creating an environment where children feel safe, happy and able to learn.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where children are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our children are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

9) Responding to bullying

The following steps may be taken when dealing with incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be reported immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

- o The Headteacher/Designated Safeguarding Leads (DSLs) or another member of the Leadership Team will interview all parties involved.
- o The DSL will be informed of all bullying issues where there are safeguarding concerns.
- o The school will speak with and inform other staff members, where appropriate.
- o The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- o Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- o If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- o Where the bullying of or by children takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is investigated as far as possible, recognising that there may be limitations in terms of available evidence. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- o The school behaviour log will be completed and a clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
