## 1 STATEMENT OF PRINCIPLE

Assemblies at schools within Inicio Educational Trust (“the Trust”) will be organised and delivered in such a way that they will act as a key learning experience for staff and pupils that directly supports the curriculum aims of the school. This includes acting as a stimulus for PSHE work alongside religious, moral and social enquiry. Assemblies will provide a framework for reinforcing the community ethos of school life, where achievement and success is celebrated and pupils are encouraged to develop a sense of pride and affiliation to the school as a whole.

As a trust, our funding agreement is drafted to mirror the requirements for an act of collective worship in local authority maintained schools. This legislation is set out in the School Standards and Framework Act 1998 Section 70. Academies should follow paragraphs 50 to 88 of the Department for Education’s guidance on collective worship in schools in which every pupil must partake unless they have been withdrawn by their parents, or if in the sixth form they have decided to withdraw themselves.

Our schools are without a religious designation, and therefore must provide collective worship that is wholly or mainly of a broadly Christian character as per the DfE guidance. A school can reflect the religious backgrounds represented in its community, as long as the majority of provision is broadly Christian.

## 2 AIMS OF ASSEMBLIES, PSHE AND COLLECTIVE WORSHIP IN EACH SCHOOL

The key aims of what the school wishes to pursue through its assemblies and approach to the delivery of PSHE include:

- Fostering a sense of enquiry and interest in a range of religious, moral, spiritual, social and wider life issues that link to identified key themes for each term for the assemblies.
- Fostering a sense of community and loyalty to the school underpinned by a community spirit, a common ethos and shared values.
- Providing a public platform to encourage and celebrate individual and collective successes.
- Provide an opportunity for staff and pupils to share experiences and to present their particular areas of interest to the rest of the school.
- To act as a means of encouraging collective worship and reflection on the beliefs and values of Christian and other world faiths.
- To encourage pupils to develop a sense of occasion and to understand how to behave and respond when gathered in the whole school setting.

### 2.1 Format/Types of Assemblies held at the School

There will be one assembly held in a typical week at the school for each year group:

- The assembly programme will be developed each year by the responsible senior leader. All assemblies will be led/facilitated by the appropriate senior leader and/or Head of Year with contribution from directed staff. Assemblies will take

place once a week with a specifically created schedule that focuses on raising achievement, careers and future aspirations.
