

MESSAGE FROM MRS FREEMAN

Dear Parents and Carers,

So much has been going on this week that I am not left with much space to write! Suffice to say that it has been a lovely start back after the May half term.

Please keep an eye on the diary dates section as the summer term is always very busy - details of upcoming events will be sent in advance.

Have a wonderful weekend,

Mrs Freeman

Headteacher and Designated Safeguarding Lead

Just before half term, Year 3 visited Waitrose as part of our geography topic about Mediterranean countries. We looked at all the fruit and vegetables in the produce department to find out if any of them were grown in the Mediterranean. Lots and lots of them were. We also had a behind-the-scenes tour. The fridges and freezers were very cold! We saw the loading bay and the cardboard and plastics crushers. We would like to thank the staff at Waitrose for an interesting and enjoyable time.

Year 2 - Tower of London

This week, Year 2 went to the Tower of London as part of our History topic on the Great Fire of London. We walked around the castle, saw the Crown Jewels, Befeaters and the ravens. We tried to count the ravens as we walked around, fascinated to find out that if they fly away, the legend says the White Tower will crumble to dust! The Tower of London also used to be a zoo, with monkeys, ostriches and even a polar bear that they allowed to swim in the River Thames! It was such a great day, with so much to see!

Just Crumbs Left!

The School Council held another successful cake sale after school on Wednesday raising an incredible £100. We would like to thank all parents who have supported us in all our events this year.
