

## MESSAGE FROM MRS LAWRENCE

Dear Parents and Carers,

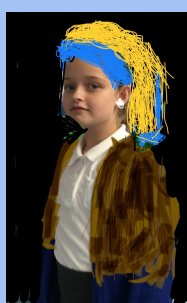

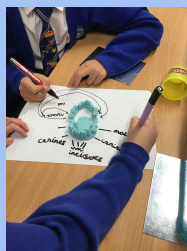

This week has been a buzz of excitement! Congratulations to our new School Council Representatives who did a grand job with their presentations.

The children have been working exceptionally hard this week - Preschool have been finding treasure in the sand, Reception have started their phonics lessons and have been learning m, a & s, Year 1 listened to different pieces of music and drew different types of lines as a response to music. They used straight, wavy, zig-zag, dotted and dashed lines with a variety of media and worked together

to produce their final piece. Year 2 have been learning about the history of the first flight. They have been introduced to the Wright brothers who created and designed planes and worked in groups to create freeze frames. This week Years 3 and 4 have been learning about our amazing bodies. Year 3 made models of hands to show how the muscles and tendons move, while Year 4 made models of teeth to demonstrate the different functions. Year 5 have been very engaged with their learning, especially whilst learning about the Vikings. They have created their own board games in the style of snakes and ladders to represent Viking trade routes and to explore what might hinder their trading. It's been a busy start to the year for Year 6, but they have been thoroughly enjoying their art topic about photography. Here are some photographic recreations of classic paintings - can you work out which is the original?!

Have a wonderful weekend,

*Mrs Lawrence*

## Gardening Club

On Monday and Tuesday lunchtime during this term, some of our children are taking part in gardening club. For the last few weeks we have actively been planting bulbs ready for Spring and, over the coming weeks, we are looking to clear the bio dome area. With the help of our estate team we will be creating an outdoor fruit and vegetable area and the children will be planting seeds ready for next year. Mrs Snelling

## Roll of Honour

Ella (Year 4) and Woody (Year 1) competed in the GB open karate championships last weekend. They both did amazingly well! Woody won 2 silvers (kick bag and sparring) and Ella won silver in sparring. They both fought brilliantly and the finals were so close! This was a good warm up for the Irish open next month!

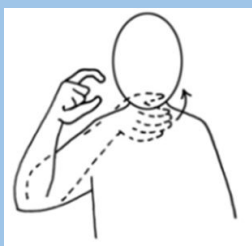

## Roll of Honour

Joshua (Year 6) was nominated by Biggin Hill Primary School for the Orpington & Bromley District football team and he attended several rigorous trials over the summer. There were around 170 children nominated and who competed. After a very strong competition, he was selected for the district squad. We are extremely proud of his achievement. Well done Joshua - congratulations!
