# MESSAGE FROM MRS FREEMAN

Dear Parents and Carers,

We hope you enjoyed the Sports Day pictures that were posted to your child's Google Classroom by the teaching staff. The children had a fabulous day and enjoyed taking part. A very special mention to J.K. Rowling house who won the cup! Please see our Sports Day article on page 2 of this newsletter.

This week, our year 6 children have enjoyed 'Fun Week' and have enjoyed bowling, pizzas, ice creams, a lifesaving course, a day out at Oxygen Freejumping Trampoline Park, late night Forest School and a water fight! I hope that year 6 will have very fond memories of this week in years to come! A very special 'thank you' to Miss O'Mahony, Mr Devlin and our brilliant support staff for ensuring their week was full of fun!

This week, we also celebrated the work of the NHS with an art project that was enjoyed across the school. I think we would all agree, this year more than ever, our NHS has been simply amazing in every way. To compliment our art project, children across the school have been learning all about the NHS. The artwork produced is outstanding and will be placed in our Art Gallery as an inspiration to us all for the amazing service that the NHS provides.

Our 'Tea and Tots' stay and play toddler and baby group has again been a massive success this week. Please do remember that next week is our last 'Tea and Tots' until the end of the term.

Please make sure that entries for our 'Perfect Parking' road safety competition are returned to school by Friday 16th July, 3.30pm. You can either send them back via your class teacher or via our main reception. We are really looking forward to seeing all your fabulous and creative poster designs!

Claiming for FSM can support your child with extra funding at school for lunches, school trips, residential stays and many more things! Please follow the link to find out if you are eligible. <a href="https://www.bromley.gov.uk/info/200086/schools">https://www.bromley.gov.uk/info/200086/schools</a> and colleges/6 2/free school meals

# **SPORTS DAY**

## A fabulous time was had by all!

The children had a brilliant time on Sports Day. After an early start setting up activities on the field, we were ready!

KS2 children were first to enjoy Sports Day, followed by Reception and KS1 children in the afternoon. They enjoyed some traditional races, including using their throwing and balancing skills. KS1 took part in a running race and KS2 the relay race on our running track! Everyone enjoyed Sports Day at the level they were happy to participate in.

Finally, we all came together as a school and had a socially distanced space on the school field for the awarding of the Sports Day Cup. Mrs Lawrence was delighted to award the cup to **J.K. Rowling!**

## **IMPORTANT NOTICES**

#### **BEES NESTS**

Please can we ask parents to be vigilant when on the school site as we have a few bees nests on the grounds (or in neighbouring gardens that back onto the school). Bees are protected and, therefore, we are unable to get the nests removed. Please ask your children to keep away from the nests for their safety. Our Site Manager is aware and will be keeping an eye on them.

#### **AMBASSADOR BADGES**

Replacement Ambassador badges can be ordered via the Uniform Shop or via our reception area (cash payments accepted).

#### **HAY FEVER**

For children that suffer from hay fever, can we remind parents to give children their medicine in the morning.

If children can self administer eye drops (aimed at our older children in year 5 & 6) they can bring those into the office.

The School Office

Last week we were sadly made aware of a blocked drive around school pick up time. We have a very good relationship with our neighbouring properties which we are very proud of and committed to maintain. Please can we ask everyone to help us to continue our good relationships and park respectfully.

Thank you for your understanding and attention.

### THE NHS BIG TEA

A National Outpouring of Love!

# The NHS Big Tea 'A national outpouring of love.'

The NHS celebrated its birthday on 5th July and is inviting you to join them by hosting a tea themed event.

As a school, we have celebrated the work of the NHS with our NHS Art themed week, however you can still get involved and host your very own tea themed event and raise money for the NHS yourself. To find out more, please visit: <a href="https://www.nhscharitiestogether.co.uk/big-tea-sign-up-schools/">https://www.nhscharitiestogether.co.uk/big-tea-sign-up-schools/</a>

## PARKING OUTSIDE SCHOOL

Please can we ask parents and carers to park and drive respectfully outside our school. Please be aware of

the following restrictions outside our school.

## **PLAY EQUIPMENT**

Important Notice

#### AT THE END OF THE DAY

We would prefer that our equipment on the playground is not used out of school hours.

However, if your child does use this play equipment during this time, they must be supervised by parents or carers.

Thank you for your attention and understanding.

# SYSTEMS OF CONTROL REMINDER

#### **COVID SYSTEMS OF CONTROL**

Please can we remind parents and carers about the importance of mask wearing and of using the correct entry and exit points. Please only arrive a few minutes before either drop off or pick up and please do not arrange to meet siblings on our site.

Please can I also remind parents and carers to make sure that children do not come to school if they have any of the three key COVID symptoms. If children do exhibit any of these symptoms they should be taken to have a PCR test.

# COVID-19 UPDATES AND USEFUL LINKS

The government has announced that parents and carers of primary age children can access rapid lateral flow testing. Regular testing of people without symptoms is important to help stop the spread of the virus, protect loved ones and is in the interest of public safety. **IMPORTANT NOTE** We are working hard to keep everyone as safe as possible in school. I must ask that if your child or a family member within the household is unwell with any of the key symptoms, please keep your child at home and follow the government guidance. This is very important for us **all** in making sure everyone is as safe as possible. **Mrs Freeman and Mrs Lawrence**
