

SAFEGUARDING

Term: Summer | Issue: 6 | Date: 20th June 2025

MESSAGE FROM MRS LAWRENCE

Dear Parents and Carers,

It has been a busy week at school. Year 4 have had a fantastic time at Bushcraft doing all kinds of exciting activities. Rehearsals for the Year 6 production of The Lion King are in full swing and the Year 6 team are very impressed with how well the children have learned their lines!

Last Friday was Science Day. This year our school has been part of a partnership of local schools working with the Ogden Trust, a charity which promotes physics teaching in schools. As part of this, Year 3 and Year 5 have been trialling exciting new resources as part of their work on forces. For Science Day, each class was challenged with building rockets to launch using a special rocket launcher. The children worked scientifically to develop their rockets then carried out fair tests on the field to launch their rockets and measure how far they travelled. Congratulations to Maisie Blossie in Elmer Class whose rocket travelled 30m!

Next week is an exciting week for KS1 as Year 1 have their trip to Leeds Castle on Wednesday and Year 2 are visiting Hever Castle on Thursday.

Please remember that Friday the 27th of June is an INSET day and school is closed to children.

Finally I would like to say thank you to everyone who was involved in the Summer Fair and Colour Run. This was a fantastic event which lots of children and their families enjoyed. It raised valuable funds and we are very grateful for the hard work which went into organising this.

Have a wonderful weekend,

Mrs Lucas & Mrs Sharrock

Assistant Headteachers and Safeguarding Leads

Stars of the Week

Caterpillar - Mya P & Oliver C
Tiger - Grace C
Elmer - Maisie B
Chameleon - Harrison W
Crayon - Whole Class
Charlie Cook - Athena D
Sofia Valdez - Whole class

Water

Please ensure that your child has a refillable water bottle in school every day.

Playground Use

It is lovely that the summer gives the children more opportunities for playing outside after school. However, please can we ask that you vacate the premises at the end of the day.

This is important for keeping our children in the after-school club secure and means that they can play outside safely.

Thank you.

DIARY DATES

Keep a note!

- 23rd June - Reception 2025 intake- Taster session 1

- 7th July - Ambassador Assembly 9am - Invite Only
- 7th July - Reception 2025 intake - Taster session 3
- 8th July - Sports Day
- 10th July - Reception - Kent Life - School Trip

Active Travel

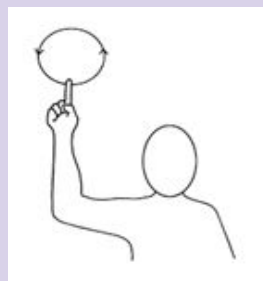

It is wonderful to see so many children walking, cycling and scooting to school in the summer term.

Please remind your children to stop when the footpath crosses the car park and to leave their scooters and bikes in the shelter. This helps to prevent accidents on the busy footpaths around school at the start and the end of the day.
