### Message from Mr Peart

Dear Parents/Carers,

As we wrap up another vibrant half-term, it's incredible to reflect on how swiftly Summer 1 has flown by. This half-term, our Year 4 students made a splash as they took to the pool for their swimming lessons, developing both their skills and confidence in the water. Meanwhile, our adventurous Year 3s embarked on an exciting trip to Beddington, experiencing nature firsthand. Year 2 had the remarkable opportunity to explore the historical marvel of Westminster Abbey, where they delved into the rich tapestry of our nation's history. Our football teams have also made us proud, showcasing their talents in various matches throughout the term.

We are especially proud of our Year 6 students, who tackled their SATs with determination and resilience. As they look forward to the exciting events ahead, including their Prom, Year 6 performance, and the much-anticipated PGL residential trip, we celebrate their hard work and achievements.

As we close the chapter on this bustling half-term, we wish everyone a well-deserved and brilliant holiday.

**Mr Peart**  
*Deputy Head and Safeguarding Lead*

### NSPCC Workshops

The NSPCC recently visited to deliver vital workshops for our Year 2, 5, and 6 pupils, focusing on their safety and well-being. These workshops are a vital part of our commitment to ensuring the safety and well-being of our students. The NSPCC workshops focused on helping our children understand how to stay safe and what to do if they ever feel uncomfortable or unsafe. The sessions were engaging and age-appropriate, ensuring that each child could understand and participate fully. A crucial part of the workshop was ensuring that our students know who to contact if they ever feel unsafe. The NSPCC introduced the children to their Childline service, a 24/7 helpline that provides support and assistance to children in need.

# Hot Weather

With the sun shining and temperatures rising, it's crucial to keep our children cool and safe during this hot spell. Encourage your child to drink plenty of water throughout the day. Apply sunscreen with at least SPF 30 on your child's skin every morning, and remember to reapply it, especially if they're outside. A wide-brimmed hat can also provide extra protection from the sun's rays. If your child is comfortable wearing them, sunglasses can protect their eyes from harmful UV rays. For the upcoming half term, please make sure your child's teacher knows about any specific needs or concerns related to the heat. Keep cool and enjoy the weather!

## Sportswear

Ensuring that children come to school wearing the correct PE kit is important for maintaining a sense of unity and focus during PE and sports activities. We kindly remind parents and guardians that children should not wear football kits unless they have specific football training sessions. Additionally, hoodies or tracksuits with outside logos are not permitted. This helps to avoid distraction and fosters a sense of belonging and equality among students. By adhering to these guidelines, we can ensure that all children feel included and focused on the activities at hand rather than on their attire. Thank you for your support in maintaining a positive and inclusive environment for our students.

*Below is an additional reminder of our sportswear expectations:*

BHPS School Uniform Shop	<b>Sportswear</b> All children are required to wear PE uniform for PE. The P.E. uniform is as follows: <ul style="list-style-type: none"><li>• Plain black shorts, leggings or tracksuit (logoed hoodie is optional)</li><li>• House coloured t-shirt with or without logo</li><li>• Children are required to wear their PE uniform to school on PE days.</li></ul>
