MESSAGE FROM MRS LAWRENCE

Dear Parents and Carers,

This week started with Ambassador Assembly - it was wonderful to see so many children receive badges for our school values of Positivity, Respect, Inclusivity, Discovery and Endeavour.

On Wednesday, parents/carers of Year 2 were invited into their children's classrooms to celebrate their learning. The children showcased their reading skills to their grown ups, wowed them with their 2, 5 and 10 times tables knowledge as well as showing their grown ups the work they are proud of in their books. The children should be so proud of themselves! The parents/carers also left with some top tips on how to support their child with reading at home. It was a fantastic session! We look forward to welcoming Year 4 parents/carers on Wednesday 28th January.

Thank you to the Friends for another great Break the Rules day! The children were fabulous and all money raised goes towards continually improving BHPS for our children.

Have a wonderful weekend,

Mrs Lawrence

Lateness

We would like to remind parents/carers that the school gates open at 8.30am and close at 8.40am. Registers are taken promptly at 8.45am and any child arriving after this time is recorded as late.

Being late to school can have a big impact over the whole school year. The table below shows you just how much time can be missed over a year, even just by being 5 minutes late to school every day:

We understand that the school mornings can be hectic, but when you are late for school your child is missing out on very important parts of their education. Being late can be unsettling for them and for the rest of their class. If you are experiencing any difficulties in the morning and would like to discuss this with a member of our team, please let us know via the office.

Heads Up!

On Friday 13th March we will be supporting Comic Relief. One of the ways we will be doing this is through 'Penny Wars'. Penny Wars is a game of strategy between all classes, with the aim to collect as much money as possible in your class pot. Place copper coins in your own pot to increase the total...place silver coins in other classes to reduce theirs! Start collecting your coins now to take part and win a prize for your class!
