18th July 2022

Dear Parents and Carers,

Parent Forum and Class Representatives Update!

I am delighted to advise that our Parent Forum and Class Representative group, although still in its infancy stage, is very much up and running at BHPS. Since November 21, the group has managed to meet three times and has also recently had three new volunteers come forward for our vacant areas.

Our aim for this group will be to meet around 4-6 times during the next academic year to talk about school developments and also gain your valuable feedback from them as your class representatives.

As this group is still relatively new and relationships within are now becoming more established, we have asked each representative if they would be willing to continue into the next academic year and we would like to propose that the current representative remain in place for 2022-2023. We will need to look for a new member for each of the new Reception classes, which we will do in September.

All class representatives for the school can be found on the window in your child's classroom and I have also included this information on the flyer attached to this email. Of course, if there are any parents/carers that would like to find out more about joining us, then please contact Sally Helps at s.helps@bigginhillps.com to arrange a time for an informal discussion.

As a group we have been able to discuss many school development initiatives as well as receive and respond to important and valuable feedback from you all. We know there is a way to go with finding an effective way to communicate some of our actions with you, however, we will look to develop this a little further in the next academic year.

On behalf of the leadership team, I would like to thank you all for supporting this initiative this year by providing your feedback to our representatives. Finally, a special 'thank you' to our class representatives for all that they do for the school and for agreeing to remain as their class representatives for the next academic year.

Yours sincerely,

Mrs Lawrence
Deputy Headteacher, SENCo and Deputy Designated Safeguarding Lead
